Note

The President was invited to attend the IP World event organised by IQPN in Amsterdam in October. As the President was unavailable, the Chair of EPPC substituted for him. The event is mainly directed to industry IP professionals and it was therefore an exception for **epi** to be invited. The event took place over 3 days and had sessions not only on patents but on almost all other aspects of IP, including the IP involved in WWE. It was well worthwhile being able to present epi to the attendees and we will be looking to obtain a speaking position at the event next year.
